Marin Transit Youth Pass Purchase Agreement

Parent name: _____

Address: _____

Student(s) name: _____

I understand that in an effort to enable all students access to existing public transit, Larkspur School District is offering my student(s) a subsidy on Youth tickets and the Marin Transit Youth Pass. I understand that my child can ride on local routes in Marin (excluding the Golden Gate corridor service and any regional or commute routes such as the 70/80 lines) without paying any additional fare.

I understand that the Youth Pass is available in six-month increments during the Fall/Winter and Spring/Summer periods. The 2008-09 Fall/Winter Pass will be valid from Monday, August 18, 2008 through Friday, February 28, 2009. The 2008 Spring/Summer Pass will be valid from Sunday, February 1, 2009 through Sunday, August 31, 2009.

Below I have checked the option that best serves the needs of my family:

___ My son or daughter will NOT ride the bus three or more days each week. I hereby acknowledge my intent to purchase individual bus tickets (ticket books) at a reduced cost on an as-need basis. One ticket is good for a one-way fare and costs \$1.00. **With the 50% subsidy, 20 tickets will cost \$10.00. 40 tickets will cost \$20.00.**

___ I have **one** son or daughter who will ride the bus three or more days each week. I hereby acknowledge my intent to purchase the six-month Youth Pass. The six-month pass retails at \$175. **With the 50% subsidy, my purchase price is \$87.50.**

___ I have **one** son or daughter who will ride the bus three or more days each week. I hereby acknowledge my intent to purchase the twelve-month Youth Pass. The twelve-month pass retails at a reduced price of \$325. **With the 50% subsidy, my purchase price is \$162.50.**

___ I have **more than one** son or daughter who will ride the bus three or more days each week. I hereby acknowledge my intent to purchase one six-month Youth Pass **with the 50% subsidy** and ___ additional six-month Youth Passes **with the 60% subsidy.**
